

## CORPORATE PARTNER

Investing as a Corporate Partner demonstrates your company's support for Williamson, Inc. as a key leader on critical business issues. In turn, this investment provides you significant opportunities to be visible as a leader in Williamson, Inc. and the community, and to receive an unparalleled level of benefits as a result of your support.

### WHY INVEST?

"Williamson, Inc. is a member-driven organization that focuses on the evolving priorities of Tennessee businesses. They have created a positive economic environment in Williamson County that meets the current and future needs of growing businesses, while also providing businesses with the essential tools and local partnerships to compete and be successful in a growing global marketplace. With Nissan's aggressive growth and localization strategy in North America, the success of Nissan globally is even more reliant on the company's Franklin operations and the support of organizations like Williamson, Inc."

- Chris Czarka, Director of Tax & Trade  
Nissan North America, Inc.

All Corporate Partners enjoy the following benefits:

- Positive corporate image through year-long identification with Williamson, Inc.
- Increased brand awareness among business partners
- Market penetration by interacting with prospective customers
- Business promotion opportunities for your products and/or services on our website

### Choose Your Partnership Level

PLATINUM CORPORATE PARTNER - \$5,000
