

BRING PART OF \$1 MILLION TO YOUR SCHOOL THROUGH THANK AMERICA'S TEACHERS

Through the Thank America's Teachers program, Farmers Insurance donates over \$1 million in educational grants to teachers across the country annually! You can get involved by sending thank you notes to inspirational teachers and voting for teachers proposals at ThankAmericasTeachers.com. Teachers can enter to win a \$2,500 or even a \$100,000 educational grant and you can help a local teacher win by voting daily.

Here's how it works . . .

Thank teachers in your life

Whether it is a teacher who taught you to believe in yourself, a teacher who went the extra mile for your kids or a family friend who's a teacher, any one of us can think of a teacher who has made a difference in our life. Show your appreciation by sending a heartfelt thank you note on ThankAmericasTeachers.com.

Teachers submit a proposal

Throughout the year teachers will have three opportunities to submit a proposal to win a \$2,500 grant. In addition, five visionary teachers will each win a \$100,000 educational grant in December through the Dream Big Teacher Challenge. Teachers, get started by submitting your proposal at ThankAmericasTeachers.com. The \$2,500 grant can be completed in less than 10 minutes so spread the word!

Encourage family and friends to do the same through ThankAmericasTeachers.com. Any one of us can think of a teacher who made a difference in our lives, and now we can make a difference in theirs!
